

Dear Miss Weston,

Mr. Jackson has just been
in ^{to} report that the use of the
Hall has been granted on
the 20th Dec². to the 26th. He
has left with me the City Clerk's
order to H. Taylor, and Wender
thinks that it would be well
if you or one of your sisters
should be here to go with me
and make the needful
arrangements with friend Taylor.
F. J. says that a distinct bargain

ought to be made beforehand
with Mr. T. as to his services
and other matters. - I shall
be in Baton until Saturday
noon, & be back again next
Tuesday ~~at~~ evening. I
presume Mr. Taylor is expecting
us this year, as heretofore,
and will be ready to help &
accommodate us at heretofore

Do you know what his
charge for services was last year?

No special news, I believe.

In haste. Yrs,
S. M. Ms. A. 4.6 A. 2. 67
